

### How to Play

1. Slide your thumbs and forefingers under the four flaps. Ask a question that can be answered "Yes" or "No"
2. Choose a number. Open and close your finders that number of times
3. Pick a color from inside. Open and close your finders once for each letter of the color's name.
4. Pick a color from the inside again.
5. Open the flap of that color to see the answer

### Folding Instructions

1. Cut out along the dotted lines. Fold back four triangular corners (See diagram A)
2. Fold Remaining four triangles forward (cover words in the center) (see diagrams B & C)
3. Fold in half with numbers facing out (See Diagram D)
